Re: 7:20-cv-08467-PMH  
Klausner v. Annie's Inc.

This letter represents the plaintiff's motion to defendant's Motion to Dismiss the First Amended Complaint ("FAC") is to be served by June 1, 2021. This morning, the undersigned requested of defendant's counsel an extension of seven days to serve its opposition, until June 8, 2021. Defendant consented to this request and asked that any extension granted to plaintiff provide a corresponding extension for its reply. Defendant's reply was due to be served on June 15, 2021. Plaintiff requests that the Court adjust the briefing schedule to permit plaintiff until June 8, 2021, to serve its opposition, and that defendant's reply be served on or before June 22, 2021.

There has been no previous request by plaintiff for an extension to serve its opposition. No previous request was granted or denied. This request is not submitted at least 48 hours prior to the date sought to be extended. However, the undersigned had dental treatment today and expected it would be difficult to complete the opposition. Unfortunately, this expectation was correct. Plaintiff's request for an extension to serve its opposition, and the corresponding extension of defendant's reply date, does not affect any other scheduled dates. Thank you.

Respectfully submitted,

/s/Spencer Sheehan
